

HONORING NURSES INTERNATIONALLY
IN MEMORY OF J. PATRICK BARNES

Benefits of System-wide Implementation

There is a growing body of evidence underscoring the impact of meaningful recognition. A Healthy Work Environment, with meaningful recognition like The DAISY Award embedded in its culture, may contribute to an engaged nursing workforce and an improved patient and family experience.

No matter where a nurse works within your system, they should be eligible for DAISY recognition! Reinforce core values of compassion and excellence across all locations and ensure *all* of your nurses are part of your DAISY community.

BENEFITS:

Nomination Stories:

- Are evidence of your vision/values and mission in action
- Provide rich qualitative data indicating what is valued in care
- Are powerful features for system publications, website, social media and annual reports
- Provide narratives of your journey to excellence

In Addition:

- Creates unified recognition for your nurses
- Opportunity for system-wide pricing
